Basic information concerning data protection

Responsible for the data: CENTRO DE EXPERIMENTACIÓN Y SEGURIDAD VIAL MAPFRE, S.A. (CESVIMAP); **main purpose:** to manage your registration request and to ensure proper maintenance, development and control of the contractual relationship; **additional purposes:** the maintenance, and comprehensive and centralised management, of your relationship with the different entities of the Grupo MAPFRE. Performance of studies and statistical calculations, surveys, analysis of market trends and quality control. To provide you with information relating to the products and services contracted, in a personal form, by any means, including electronic means. To provide you with information about other products, services, offers or promotions from entities of the Grupo MAPFRE (www.mapfre.com) and from collaborating third party entities, including by electronic means. The extraction and storage of data, and marketing studies, in order to offer you a personalised quality service, for which purpose automated decisions will be taken on the basis of your profile; **legitimate interest:** implementation of the pre-contract and/or contract. **Consignee:** data can be communicated to third parties and/or data can be transmitted to third party countries in the terms indicated in the Additional Information; **rights:** you may exercise your rights to access, correction, deletion, limitation, opposition and portability, as detailed in the Additional Data Protection Information. **Additional information:** you can consult additional data protection information at: <http://www.mapfre.es/RGPD#/Docs/CSVCSVNGNCLIPART03903ESES02>

In any event, the consent for the treatment of your data with this purpose is revocable, and the consent given can be withdrawn at any moment, and any other of the rights mentioned can be exercised in the manner indicated in the Additional Data Protection Information, included at: <http://www.mapfre.es/RGPD#/Docs/CSVCSVNGNCLIPART03903ESES02>
